chris paschke

Chris Paschke is an internationally accomplished artist and calligrapher. Her fascination with both Eastern and Western letterforms has been a lifelong study. Chris has studied with European master calligraphers in Belgium, Germany, Austria, and Russia, and after an inspiring visit to China, her work took on a strong Asian influence. For the past forty years, Chris has been strongly influenced by traditional Chinese masters and Japanese Sumi-e painting, crossed with the edgy abstract expressionism of Kline, Pollock, Rothko, Gottlieb, Motherwell and Jasper Johns. Chris attended San Jose State University and Humboldt State University, receiving a BFA Creative Arts and Design, Magna Cum Laude. She is a member of the Friends of Calligraphy, San Francisco, CA; Sumi Society of America; International Encaustic Association; and Fine Art Trade Guild (UK). She keeps actively involved in all aspects of art and its place in the world.

pete**

Katrina Pete's artwork is a collection of inspired mementoes from her garden, woodland walks, and outdoor adventures with her family. Painting since childhood, she loves incorporating natural elements and light into her watercolor paintings. Her beautiful collections are created with a loose technique that allows the paint to do what it does best, flow and bloom and fade into other colors on the page.
