NEW ARTIST

# Cheryl Warrick

When the viewer engages with a Cheryl Warrick painting, they are seeing more than art. They are experiencing a journey of wisdom where the artist asks the viewer “to look deeper and find a meaning that uplifts the spirit and engages the mind.”

A mixed media artist, Cheryl is celebrated for her quilt-like paintings that incorporate symbols, archetypes and landscapes. A painter, printmaker and illustrator for over 20 years, her paintings are found in over 50 corporate and museum collections around the world.

*Artist and muralist Julia Purinton divides her time between urban Washington, DC and a small rural village in Vermont. Both places provide plenty of material for her evocative landscapes and cityscapes. Working in oils, acrylics, venetian plaster and glaze, Julia's artwork has the luminous glow and vintage romance of images by artists who influence her: William Turner, John Singer Sargent and the Brandywine River School painters. Many layers of glaze create the atmospheric moods of her landscapes. Her work is found in galleries in New England.*

*Chris Paschke is an internationally accomplished artist and calligrapher. Her fascination with both Eastern and Western letterforms has been a lifelong study. Chris has studied with European master calligraphers in Belgium, Germany, Austria, and Russia, and after an inspiring visit to China, her work took on a strong Asian influence. Chris attended San Jose State University and Humboldt State University, receiving a BFA Creative Arts and Design, Magna Cum Laude. She is a member of the Friends of Calligraphy, San Francisco, CA; Sumi Society of America; International Encaustic Association; and Fine Art Trade Guild (UK).
